3.04.01. Glest

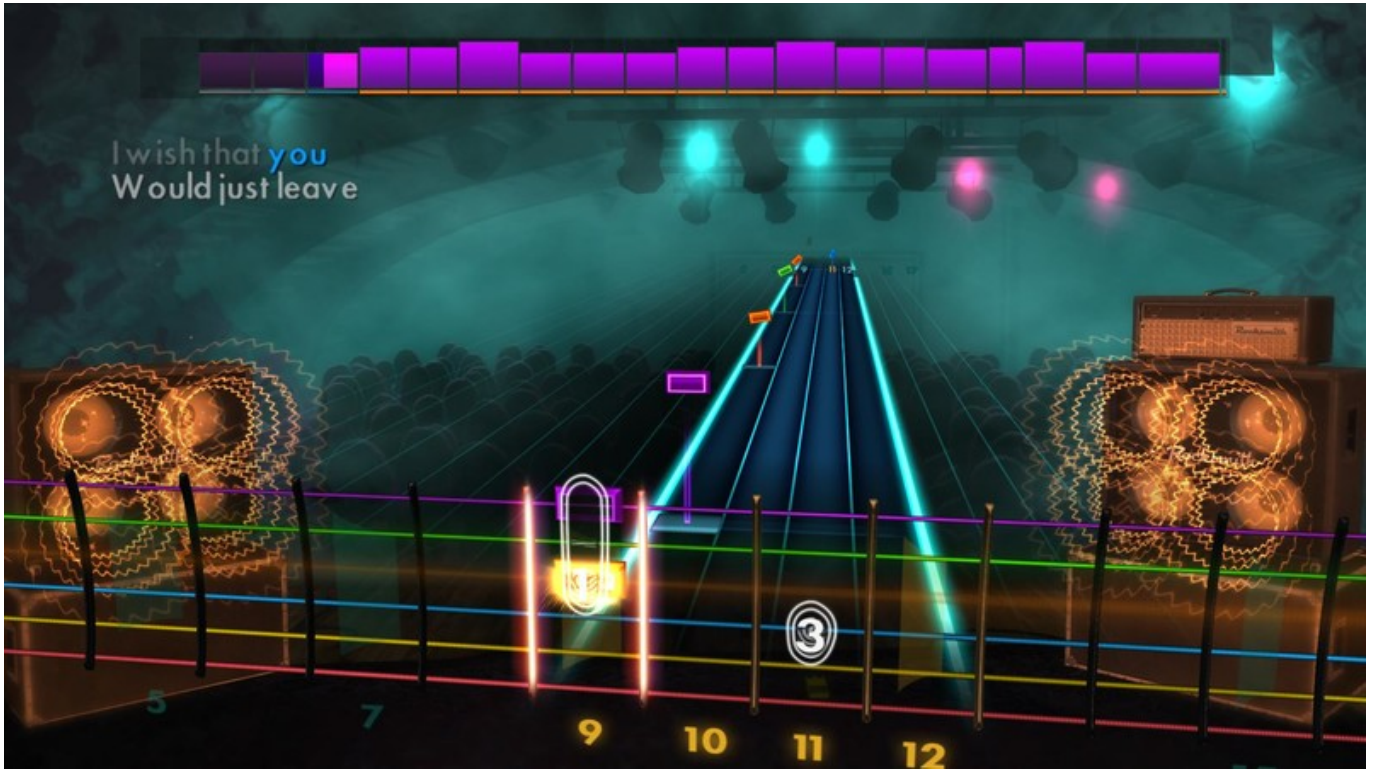

Glest's wares are marked up to 150% of the standard price (with the normal price shown in parentheses). Complaining about this or bargaining, even using Diplomacy, results in Glest having a screaming fit before pulling a chain that closes the furnace door in the PCU faces. He reacts the same way to threats, veiled or otherwise. A PC can pay the standard price (marked in parentheses) for a single item with a successful bluff check opposed by Glest's Knowledge (Skill: Bluff) (DC: 15).
