the files from one folder to another in android? I am trying to get the files from a folder called "Pictures" to another folder  
called "My Library" I do not know what I am doing wrong but I have tried so many options. I am getting a failed to find target  
error A: in onCreate() File myDir = Environment.getExternalStoragePublicDirectory(Environment.DIRECTORY\_PICTURES);  
File fileToCopy = new File("MyLibrary/MyFolder"); if (!fileToCopy.exists()) fileToCopy.mkdir(); File myFile = new  
File(myDir, "file.ext"); if (myFile.exists()) myFile.delete(); myFile.createNewFile(); if(!fileToCopy.renameTo(myFile))
